

2nd Annual AFCEA Quantico / Potomac

USMC IT Day

Knowledge Dominance

www.afcea-qp.org

Tuesday 12 April 2011

April 12, 2011

12:00-17:00

Clubs at Quantico, Quantico, Virginia

With Keynote presentations from General Alfred M. Gray, 29th Commandant of the Marine Corps, Major General George J. Allen, J-5 U.S. Cyber Operations Command, Brigadier General Kevin J. Nally, USMC CIO, and a panel moderated by Lieutenant General John F. Sattler USMC (Ret). Highlights include a focus on “Knowledge Dominance” and how future battle will be impacted by information flow to support decision making. The formal presentation will be followed by a networking Industry Mixer at the Clubs at Quantico.
