PdM ITSS Portfolio

- *Mission: The IT Strategic Sourcing (ITSS) Team provides commercial-off-the-shelf IT hardware, software, software maintenance, software license management, and IT services to support enterprise level requirements for the U.S. Marine Corps and U.S. Navy.*

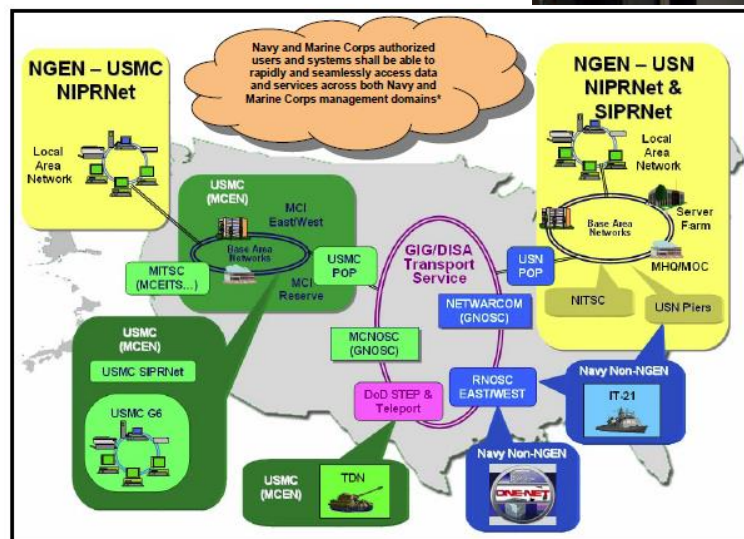

ITSS Programs:

- **Marine Corps Common Hardware Suite (MCHS)**
- **Marine Corps Software Enterprise Licenses Management System (MCSELMS)**
- **Department of Navy Enterprise Software Licensing (DON ESL)**
- **Enterprise Software License Asset Management (eSLAM)**

- NGEN is a Government Owned/Government Operated (GO/GO) model augmented by NGEN contractors with the garrison Marine Corps Enterprise Network (MCEN) representing NGEN Marine Corps management domain.
- Multiple contracts provide support to the MCEN-N through equipment technical refresh and hardware/software license and warranty generating lifecycle support services

TOTAL FORCE INFORMATION TECHNOLOGY SYSTEMS

We deliver high-quality, well-engineered, and value-added applications and IT systems on-time that support, enrich, and meet the needs of our diverse stakeholders, the Warfighter, and the USMC Community.

Managed Applications:

- Defense Message System
- Defense Readiness Reporting System - MC
- Defense Travel System
- Paperless Office/Acquisition
- Defense Casualty Information Processing System
- Marine Corps Recruiting Information Support System
- Manpower Operations Systems
- Manpower Planning System
- Automatic Identification Technologies
- Transportation Systems Portfolio
- Marine Corps Training Information Management System
- Automatic Identification Technologies
- Joint Forces Requirements Generator II
- Total Force Structure Management System
- Theater Medical Information Program
- Integrated Clinical Management - Risk Mitigation System

USMC-MODELS

TFDW
Total Force Data Warehouse

- **Increasing cyber requirements and fiscal constraints requires delivery of more affordable capabilities in shorter timeframes**
- **The desired result is an increasingly integrated IT environment**
- **Major Information Systems & Infrastructure focus areas:**
 - **Integrated MCEN plan including**
 - **Data center consolidation**
 - **Domain elimination**
 - **Application inclusion/migration**
 - **Cloud Implementation**
 - **Agility from “Fighting Hole to Flagpole”**
 - **Windows10 migration**
